4/11/11	Descriptive Writing	Descriptive Writing
4/18/11	Explanatory Writing	Explanatory Writing

Other Important Information:

I expect at the end of our Writing class, all will be better writers and ready to take the writing part of the SAT test. Students should be able to use grammar rules and identify when grammar is used incorrectly. This class is preparing the students for college writing course. This class is also fine for those who are not college bound.

How your grade is figured out:

Term Paper - 40%

Individual papers done throughout the year - 30% combined

Grammar - 20%

Participation - 10%

Any work missed is expected to be handed as soon as the student returns to CHASE. Any papers handed in late will go down one grade for each week the paper is late. It is the students responsibility to find out what work was missed. I would prefer that any questions that students/parents have would be e-mailed me at home at ravy123@frontiernet.net
